

**SNOOKER 101 AND THEN SOME!**

**Friday, March 5<sup>th</sup> 6:30 – 8:30**

**Ridgeland Farm, Middlefield**

**Come learn all there is to know about this challenging agility game with  
Monique Plinck.**

With over 30 Masters Snooker Q's, Monique can help you find the smooth way to a 37 point Q and help you negotiate the challenges of running 4 reds for 59 points!

This 2 hour workshop will review the rules behind the game and strategize course plans for you and your dog on several recent Advanced and Masters Snooker courses. Then, we run them!

Pre-registration and payment are required as course designs, rules, and training hints will be provided prior to the session to maximize course running time.

You may audit for \$15.00. Cost to work a dog is \$35.00.  
All working dogs must be proficient on all competition obstacles.
